Situation Update, Uttarakhand:Today

WHO has declared the Novel Corona Virus (COVID-19) epidemic as Public Health Emergency of International Concern (PHEIC) under IHR (International Health Regulation). In this context, Uttarakhand Government has strengthened the surveillance and control measures against the disease. Isolation and Institutional Quarantine facilities are operational in all districts.

Public Health Action taken:

1- To combat COVID-19 pandemic situation, the Government has aquired and alloted 50 acres land to Medical Education Department to build a 500 beded pre-fabricated hospital at Haridwar.
2- Comprehensive guildlines for dialysis with reference to COVID-19 have been issued by the Government. As per guidline the patients who do not have private vehciles shall be facilitated by 108 ambulance service. This will also apply to the physical challanged patients.

3- A dedicated helpline number 08046110007 has been made operational to provide psychological/clinical advise to the people suffering from mental stress due to pandemic situation/lockdown.

4- Screening and identification of suspected cases among Tablighi Jamat followers is continued.

5- Regular messages on Do's & Don'ts during lock down periodare released for public awareness through print, electronic and social media. FM Radio and Community Radio are widely used.

6- Uttarakhand government launched a Mobile App "Uttarakhand COVID-19 Tracking System" as a platform for people to report and self declare, if they are suspecting COVID-19 signs and symptoms. The link of App is *https://play.google.com/store/apps/details?id=com.app_release.covid19finalcourse*

APPEAL:

Department of Health and Family Welfare, Uttrakhand appeals to all citizens of the state to follow the advisory for lockdown. All persons who have been advised quarantine (Contacts of Positive cases and people who have come from foreign travel) have to observe mandatory home quarantine as instructed by authorities. They may stay in separate room and not venture outside their house. If a person found/reported to be not following home quarantine as guideline, he/she will be put under institutional/facility quarantine. In case of any health emergency, assistance due to lockdown they may call state control room number 0135-2609500/helpline number 104/District control room numbers (Annexed) for assistance.

Preventive measures:

1- Home quarantine of all asymptomatic travellers for next 28 days after returing from COVID-19 affected countries.

2- Travellers and their families members must ensure strict respiratory and hand hygiene. Cover your face while coughing or sneezing, wash hands frequently and avoid hand shakes.

3- Travellers, who have come from COVID-19 affected countries, must report to district/block health authorities immediately, if they develop any symptoms like fever, cough, cold or difficulty in breathing. Helpline/war room no. is 01352609500/104.

4- Indian citizens are advised to refrain from non essential travel to COVID-19 affected countries.

5- Hospital isolation of all symptomatic travellers if they have returned from any of COVID-19 affected countries.

6- Frequent hand washing specially after touching any body secretions like saliva or nasal secretions.
